Dear Sir or Madam,

Under the Freedom of Information Act 2000, I request the following information concerning Ofcom's Making Sense of Media (MSOM) programme.

- A list of organisations that are currently members of, participants in, or formally associated with the Making Sense of Media network.
- The names and organisational affiliations of members of any current MSOM advisory panel, steering group, expert group or equivalent governance body.
- Details of organisations that have received from Ofcom grants, contracts or other funding through the MSOM programme since 1 January 2023, including the amount awarded and purpose of the funding.
- Copies of any documents currently in force describing:
 - The governance structure of the MSOM programme;
 - The criteria for participation in the MSOM network; and
 - The criteria for appointment to advisory or steering groups.

If held, any current stakeholder map, organisational chart or equivalent document showing relationships between organisations participating in or advising the MSOM programme.

I would prefer the information in electronic form.

If any part of this request is likely to exceed the appropriate cost limit, I would be grateful if you could advise how it might be refined so that the remaining information can be provided.

Yours faithfully,
